

Application Instructions & Helpful Tips

Filling Out Your Application

Please **download** this application on your computer and fill it out completely. Be as detailed as possible when answering the questions on the application. Please do not answer the application questions in all capital letters so that your application is as easy to read as possible.

Where to Send Your Application

When you are finished, please send a PDF version of your application via email to Admin@ExpertAuPair.com with "Au Pair Application" in the subject line.

Letter to the Host Family

Always be sure to write a letter for potential host families to read. Families want to get to know you, so here is where you can be unique. Some questions that you can think about include: *What makes you different from all the other au pairs applying? Is there something unique about you (do you play an instrument, sport, etc.)? Why do you think you would be a good au pair? What are you hoping to discover while you are an au pair? If you have a driver's license, tell them more about your experience driving!*

Photos & Videos

Including photos and a video with your application helps to bring you to life! Host families always request to see photos, so this is important to include with your application. Adding a video to your application is not required, but it is strongly encouraged. To include photos with your application, attach them to the email when you submit your application to Admin@ExpertAuPair.com. To include a video with your application, provide a link to your video in the space provided on the application.

What Comes Next?

Our Au Pair Advisor will contact you directly after reviewing your application. Please be sure to respond to our emails promptly, and check your email inbox and SPAM folders regularly so you do not miss any of our requests or any host family interview requests.

Already Have a Host Family?

If you already have a host family that you plan to match with, please include their name and contact information in the text of your email to us when you submit your application.
